

Glacier Suite - Investment Prospectus

Agent Rationale:

Based on your criteria for a cozy, artistic vibe under \$300 a night, the top match is 'Stretch out on the Corner Sofa at a Plant-Filled Getaway'. While the property details do not explicitly confirm it is a 2-bed luxury apartment, it best fits the requested aesthetic. Further investigation would be required to confirm the number of bedrooms and luxury status.

Stretch out on the Corner Sofa at a Plant-Filled Getaway
