

Glacier Suite - Investment Prospectus

Executive Summary & Investment Rationale:

This investment prospectus highlights a compelling opportunity in a 'Small, cosy, garden DOUBLE room with bathroom' located in the vibrant Camden neighborhood. The property effectively matches the client's desired 'cozy' vibe, scoring 0.65 in semantic search. Camden offers a dynamic 'Alternative & Live Music' atmosphere, boasting attractions like Camden Market, Regent's Park, and the Roundhouse Theatre. The neighborhood demonstrates a good safety profile with a rating of 7/10/10, though with a medium crime index. Excellent transit connectivity is available, with just two hops from Camden to Central London (Westminster, City of London). Financially, this property presents an attractive opportunity with an estimated value of £150,000, achieving a robust Cap Rate of 4.6% and a positive Cash-on-Cash return of 1.7%, based on a 79% occupancy rate and net income of £6,934/year.
